**(Full Office Note.)**

P. M. No.

**Subject.**

Jail building at Shimoga.

Letter No. 472/g dated 23rd May 1903, from the I.G. of Prisons in Mysore, submitting for sanction two alternative Estimates for converting the — into a District Lock-up.

**Note.**

In Proceedings No. J. 1177-81 dated 10th February 1903, Govt ordered that a small portion of the jail building may be used as a lock-up and the rest as a Sanchal Kobi and that necessary alterations that are likely to be required may be carried out by the Chief Engineer in Consultation with the I.G. of Prisons, Dy Comr, Shimoga and the Conservator of Forests.

The jail building is reported to be thoroughly unsuitable

* 1. Statement of case in narrative form in regular sequence of subject matter or date.
2. Opinions to be stated only as supported by precedents, or general rules which should always be quoted.
3. Serial numbers in file, &c., to be always stated.
4. Dates of important documents referred should be given.
5. Write on both sides, leaving the same side as margin.

‡ 1. No. and date of latest letter or paper.
2. Catch words to show nature of subject.
3. Subject to be in red and body of note in black ink.

unsuited for the purposes of a lock-up. To meet the present requirements two proposals have been made

The 1st is to allot a portion of the present jail building by walling up the scattered buildings lying northeast between the Compound wall and the innerwall enclosing the different barracks and opening a new gate. The Estimate for this amount to Rs 8827.

The 2nd is to convert the former workshop, a detached building outside the jail premises, into a lock-up, and to ~~lengthen~~ widen the circumference and to ~~build new~~ construct new buildings for the accommodation of different Convicts. The Estimate for this amounts to Rs 11354.

The Inspector General of Prisons says that he is in favour of the 2nd proposal as it would be far cheaper in the long run to convert the present jail workshop

into a lock-up khana to patch up part of the jail building which is reported by the P.W. Dept to be shaky + which will need constant repairs. The Chief Engineer is also of the same opinion and in his letter dated 22nd April 1903 to the Inspector General of Prisons, he states that an allotment of Rs 5000 × has been provided for the work in the next year's Public Works Budget. The local Offrs (DS Comr, Executive Engr, Asst Offr & Jail Supdt) seem to favour another proposal detailed in the DS Comr's letter, marked B; but if this several objections have been noted by the I.G. of Prisons in C.

Flag A ×

A special grant is apparently required to meet the large expenditure involved & so this seems to be a matter for Government. Scheduled 4.6.03

But the plan to be approved of must first be determined. On the whole, the I. G's proposal may be preferred — though if they wish to build altogether a new jail, I do not see why they should not go elsewhere if a more eligible

(4)

place could be had — say near the lines occupied by Savars. In fact half of the Savars Lines Compound may be taken up if considered suitable.

5 P.M.

All that he wants a lock-up for a Lock-up — What is the average strength of prisoners of all kinds for whom accommodation has to be provided? Both the Estimates should be sent. And I am not sure whether the Plan was sanctioned when the Council dealt with the Budget — a few weeks ago —

J.288
25-6-03.

Agreed. There is no particular urgency & would suggest that this Question be allowed to ~~stand~~ over until I. returned Head-quarters - Shimoga - It seems to me that the construction of a new building for the Lock up at a large cost is not indispensible - the D&W provision might be used -

26/6/03

~~SECTION Pay~~

FILE No. ~~12 of 02~~

SERIAL No. 3

No. 472/J

Dated 23rd May 1903. 28/5

Sir,

Adverting to Government Proceedings No.J.1177-81 dated 10th February 1903, I have the honor to forward herewith in original (to be obligingly returned) a file of correspondence* together with two alternative Plans and Estimates, from which it will be observed that I am of the same opinion as that of the Chief Engineer, that it would be far cheaper in the long-run to convert the present Jail work shop at Shimoga into a Lock-up, than patch up part of the old Jail to make it suitable for a Lock-up as it will need endless repairs. Moreover if the old Jail is to be handed over to the Forest Department as a Sandal Khoti it is much better that the two institutions should be separate.

2. I therefore request that you will be so good as to obtain sanction of Government for the larger of the two alternative Estimates viz., Rs.11354/- for converting the present Jail work shop into a District Lock-up.

I have the honor to be,

Sir,

Your most obedient servant,

P.N. Benson

Lt.-Colonel I.M.S.,

Inspector General of Prisons.
